escape games

Team building activities

Our escape rooms are based on the plot of famous stories and give an opportunity to play in the atmosphere of your favorite movie or computer game, but in real life.

in Dubai

About us:

Quality of service is the key for us. Our rooms are quite different from what is available on the market. We put a lot of effort to make sure that the storyline, decorations, and atmosphere of each game meet the highest quality. Each game was designed by a team of professional people and contains a lot of technology and unique handmade decorations.
